A PEOPLE'S WOOLIES

To the Rt Hon. Gordon Brown, Prime Minister, and the Rt Hon. the Lord Mandelson, Secretary of State for Business:

We, the undersigned, call on the government to take over Woolworths and create a **People's Woolies**, saving 30,000 jobs and the 700 high street stores that have been serving the public for 99 years. The rescued **People's Woolies** will be a bulwark against the worst effects of the recession, employing local people, buying from local producers, easily reached by public transport, and providing the goods and services that people on low incomes need. We urge the government to do this as a matter of urgency, before Woolworths' assets are stripped, without any public benefit.
